East Central & South Central Illinois Narcotics Anonymous Meetings

Altamont, Charleston, Clay City, Effingham, Mattoon, Pana, Shelbyville, St. Elmo, Vandalia

Updated: February 2017

We Do Recover

When at the end of the road we find that we can no longer function as a human being, either with or without drugs, we all face the same dilemma. What is there left to do? There seems to be this alternative: either go on as best we can to the bitter ends—jails, institutions or death –or find a new way to live. In years gone by, very few addicts ever had this last choice. Those who are addicted today are more fortunate. For the first time in man's entire history, a simple way has been proving itself in the lives of many addicts. It is available to us all. This is a simple spiritual –not religious—program, known as Narcotics Anonymous.

Miracles Happen

The real miracle happens when you realize that the need for drugs has in some way been lifted from you. You have stopped using and have started to live.
